BRETT WALES -keyboard/organist.

What a brilliant night we had with Brett Wales, it was like having an orchestra in the hall.
We had a delicious supper, thank you to everyone who baked and brought raffle prizes. A grand total of £636 was raised and will be shared equally between hall funds and Cancer Research UK.
Watch out for next year's concert.
Many thanks to all who supported. *From Cynthia and Dory*

**Saturday 11th May in St Hilda's Church
Paula Day and her choir**

Another brilliant night too, the choir sang songs from the shows, Carpenters and Frank Sinatra etc.
£555 was raised for church funds.
Thank you to all who supported, brought raffle prizes and biscuits for the refreshments.

The leavers service from Chop Gate School is on Wed 17 July at 2pm in St Hilda's Church, there wont be a dry eye in the church!!. This is when the children from this most outstanding little school receive their awards for the year. All welcome.

When to Call 101 - The Police Non-Emergency Number

101 is the number to call when you want to contact North Yorkshire Police when it's less urgent than a 999 call.

When Should I Use 101?

You should call 101 to report crime and other concerns that do not require an *emergency* response. For example, if:

- your quad has been stolen
- your property has been burgled or damaged
- you suspect drug use or dealing in your neighbourhood
- give the police information about crime in your area
or to:
- speak to the police about a general enquiry

When you call 101, the system will try to determine your location and connect you to the police force covering that area. As we are so close to the boundary of North Yorkshire Police and Cleveland Police, the system may ask you to confirm which force you are calling.

Who Will Answer My 101 Call?

Calls to 101 are answered by police officers and staff in the North Yorkshire Police Control Room. This ensures that staff with local knowledge can answer and deal with the calls and respond appropriately.

How Much Does It Cost to Call 101?

Calls to 101 (from both landlines and mobile networks) cost 15 pence per call, no matter what time of day you call, or how long you are on the phone.

The 15p cost of the call goes to the telephony providers to cover the cost of carrying the calls. The police and government receive no money from calls to 101.

When Should I Use 999?

You should always call 999 when it is an emergency, such as when **a crime is in progress**, when there is **danger to life** or **when violence is being used or threatened** and/or when somebody suspected of a crime is nearby.

For further advice, please do not hesitate to contact me on the details shown below.

Benefice Recipe Book

We are hoping that sometime in 2019 we can get together at a Social event to launch a Benefice Recipe Book.

To do that we are needing your help.

We ask if you would contribute to this venture by letting us have your favourite recipe/s that we might include in our book.

We would need to have your recipe (not a direct copy from a published one that would infringe copy write). We would also like you to give us a short explanation of why you have chosen it. We also hope to illustrate this book so we would welcome illustrations you may wish to add.

If you can offer a contribution or need more details please get in touch with Chris Auffret (tel 01642 723520 or Anne Rees (tel 01642778377) or Ros Tomlinson (tel. 01642 711796

Neosporosis

There is a very interesting article in the Moors Messenger May 2019 about Neosporosis. It says the stick and flick method of disposing of dog poo in the countryside can prove to be deadly to farm animals where cattle and sheep graze or that is cut for cattle feed.

Neosporosis is a disease caused by a parasite called *Neospora caninum* which commonly results in abortion and still birth in farm animals.

The parasite reproduces in dogs. Its eggs are produced in the digestive tract, shed in faeces and can remain alive for 6 months. Farm animals consuming contaminated food subsequently become infected..

The National Park authority urges dog owners to always deal with their dogs mess appropriately

Parish Council Report

At the last local elections, 2 of our long serving Parish Councillors decided not to stand for re-election. We therefore thank Cath Devlin and David Hollingworth for their many years of service on behalf of our community. The remaining Parish Councillors stood for re-election along with 2 new candidates. There being only 5 candidates for 5 seats, an election was not needed.

The new Parish Council is:

Mr Malcolm Bowes, Chairman
Mrs Jenny Smith, Vice Chairman
Mr Ian Brass
Dr Deborah Sporton
Mr Gary Silver

The first meeting of the new Council was on 8th May.

Members agreed on the planned expenditure for the coming financial year. The meeting discussed preservation of Fangdale Beck village green as a community space and various Highways issues.

Members noted that this year sees the 50th anniversary of the Cleveland Way and that Consultation is underway on the final draft of the North York Moors National Park Plan.

Mrs Smith, supported by Mr Bowes and the Clerk, is working on updating the Bilsdale website. Hopefully readers will already be able to notice improvements. The aim is to keep it more up to date with relevant information about the dale, our clubs and societies, our local businesses and the Parish Council.

The Annual Parish Meeting will take place in Chop Gate village hall at 7:30pm on Wednesday 29th May, immediately followed by the Annual Meeting of the Parish Council. Residents in the Parish are welcome to both meetings.

The next normal meeting of the Parish Council will be on Wednesday 3rd July
